ANTS PRESENTS

PREPARING NURSES FOR AI-ENABLED CLINICAL PRACTICE

Have you ever wondered what AI-enabled care means for everyday nursing practice, or how nurses can assess digital information, recognise risks and maintain safe, ethical, person-centred care in evolving digital environments?

Join **Dr Dianne Stratton-Maher** as she shares insights from a recent scoping review, and explore what these findings mean for clinical nurses as well as nurse educators.

WEDNESDAY

9th September 2026

<https://teams.microsoft.com/meet/42786264074780?p=zAKGb0ECNiBXCpqGHg>

TIME

6:30 pm – NSW, VIC, TAS,
QLD, ACT

6:00 pm – SA, NT

4:30 pm – WA

8:30 pm – NZ
